

## Landings

If you have a vertical rise exceeding 12 feet, you must have an intermediate landing. Bluff will actively work with you to design and develop the most functional and efficient stair system possible within your space constraints. Landings can be provided with stairs or sold separately.

### LANDING SPECIFICATIONS

- Fixed handrail in compliance with applicable code
- Gate options for platform landing
- Custom sizes and configurations (straight, L-shaped and U-shaped runs)
- Top landings available for specific ingress/egress requirements
- Choice of decking material
